

## Town Council Grants

The Town Council is permitted in law to make certain grants to local groups and members of the community. In 2007/2008 and 2008/2009, the Council set a budget of £5000 per year to enable it to make grants to worthy causes. The remainder of the budget set in 2007/2008 was carried over into the 2008/2009 budget.

Application forms are available from the Council Office, however applicants should be aware that applications will only be considered where it can be demonstrated that the Canvey Island community will gain some benefit from the grant aided scheme proposed.
